FIRANGI SUPERSTAR ESTD. 2021

A FAITHFUL TIGER.

An amusing scene occurred the other day at the citadel of Dover. The 102nd Regiment have a very fine tiger just to this country with the regiment from India. He is very tame, and is daily taken for a walk, and he also goes round the mess table getting tit-bits. The other day his keeper got the worse for drink, and made his way to the den, fearing detection. An officer seeing that the man lay asleep, and the tiger sitting by him, sent for the picket, who at any other time can do what they please with the beast. The moment they attempted to go near the keeper the tiger growled, and very soon let them see they must keep off. For two hours the tiger kept guard over his keeper, who on awakening, was surprised to see no one dared come near his charge.—*The Record.*
