FIRANGI SUPERSTAR ESTD. 2021

A FAITHFUL TIGER.

An amazing scene occurred the other day at the citadel of Dover. The 102nd Regiment have a very fine tiger just come to this country with the regiment from India. He is very tame, and is daily taken for a walk, and he also goes round the mess table getting tit-bits. The other day his keeper got the worse for drink, and made his way to the den, fearing detection. An officer seeing that the man lay asleep, and the tiger sitting by him, sent for the picket, who at any other time can do what they please with the beast. The moment they attempted to go near the keeper the tiger growled, and very soon let them see they must keep off. For two hours the tiger kept guard over his keeper, who on awakening, was surprised to see no one dared come near his charge.—*The Record.*

MACHINE MADE WATCHES.

RAILWAY WATCHES. INCREDIBLY CHEAP—FURTHER REDUCTIONS IN PRICES.

WHEN it is remembered that a Watch should go well for a long period, but that they will require cleaning and, in case of accident, repairs, the fact that they should also be useful in some other way than as simple timekeepers, and give their facilities in an unusual degree. We have for our Railway special make which undoubtedly rank among the first in the list of reliable timekeepers. They are made of the best material and are supplied with the most perfect mechanism, and have nothing in common with the cheap but inferior timekeepers which are so common in this country. Being best made and fully warranted, and furnished with the opportunity of purchasing the original of the watch at a third their original price.
